ABOUT US

Scratch Kitchen: Most of our products are made in-house. Because of this, when we run out of an item, we may be unable to re-fill it the same day. That is one of the downsides to running a scratch kitchen. Thank you for understanding.

ALLERGIES

Gluten Free: The majority of our items can be prepared in our dedicated gluten-free section of the kitchen. We have a dedicated fryer, grill, oven, sandwich station and prep area. However, this is in a shared kitchen.

We do not offer GF croutons, calzone. Meatballs are offered as a special. Always ask about our soups.

Allergies: We do not prepare our foods with tree nuts or peanuts. However, we bring breads and other items into the facility that may contain them. If you have allergies, please ask your server to flag it in our system.

Please be aware that our food may contain or come into contact with common allergens, such as dairy, eggs, wheat, soybeans, tree nuts, peanuts, fish, shellfish.
